Badges cannot be mailed in advance. Each registered individual must pick up their own badge at the onsite registration desk.

DRESS CODE Attendees are encouraged to employ a business casual dress code. Bring a jacket or sweater to ensure your comfort in the event of meeting room temperature changes.

CANCELLATIONS/REFUND POLICY HCANJ reserves the right to cancel any program for which registration fees received are insufficient to support budgeted expenses. In the event of inclement weather, call the HCANJ office at (609) 890-8700 for cancellation information. When HCANJ cancels a program, and rescheduling fails, all registration fees are refunded in full with notification. HCANJ regrets that we are unable to offer refunds for cancelled registrations and no-shows.

REGISTRATION SUBSTITUTIONS If the individual originally registered is unable to attend the program, we encourage substitution from the same facility. THE REQUIREMENTS OF PARTICIPATION: A DEEPER DIVE INTO KEY CHANGES

This presentation will provide an overview of key changes in the reformed Requirements of Participation (RoP) to help nursing centers prepare to make necessary changes to comply with the requirements that will be enforced in three phases (starting November 2016, November 2017 and November 2019). This session will provide an overview of key changes and focus in on selected Phase 1 and Phase 2 topics. This session will include some time for group discussion and a review of available American Health Care Association (AHCA) resources and tools.

Join Sara as she covers changes to the care planning process, emphasizing person-centered care and the new baseline care plan, discharge planning, and an overview of the new facility assessment of residents and resources. Attendees will also learn how existing resources and priorities—including the AHCA Quality Initiative, the Quality Award program, and Long Term Care Trend Tracker—can assist them in meeting these new requirements.
