

Short-Term Intravenous Program

At Jewish Home Assisted Living

A photograph of a caregiver and an elderly woman laughing together. The caregiver, a Black woman with braided hair, is wearing a blue polo shirt and a name tag that reads "Cynthia". The elderly woman, with grey hair, is wearing a red button-down shirt and is gesturing with her hand while laughing. The background is slightly blurred, showing what appears to be a room with some papers on the wall.

An elderly couple is sitting on a light-colored sofa in a room with large windows. The woman, on the left, has short white hair and is wearing a green and white striped shirt. The man, on the right, has white hair, wears glasses, and a blue and white plaid shirt. They are both looking out the window with gentle smiles. Sunlight streams in from the window, creating a warm, golden glow on the sofa and the couple. The word "Outcomes" is overlaid in large, white, sans-serif font across the center of the image.

Outcomes

Lessons Learned

A red rotary telephone is the central focus, resting on a light-colored desk. The background is a blurred office setting. Overlaid on the image is white text providing contact information.
